

FAR K25

1602.70

Lever Tool for Rivets up to 5/16"

The FAR K25 is a heavy duty lever riveting tool with ergonomic grips designed for comfortable and safe operation. It features an integrated mandrel collector. Its lever and gear design reduces physical force required to set rivets. This tool is ideal for on-site work and low volume installations for larger diameter rivets.

FAR K5

1645.00

Lazy Tong for Rivets up to 1/4"

The FAR K5 is a heavy duty lazy tong riveting tool, in robust aluminium and steel construction. The strong steel linkage system is designed for improved mechanical advantage. This tool is supplied with 5 nosepieces.

Hand Riveters
